SUMMARY

Full-stack developer experienced in React.js, Node.js, and TypeScript. Skilled in designing scalable web applications and secure RESTful APIs. Strong problem-solver with leadership experience, eager to contribute to innovative projects.

EDUCATION

S.B Jain Institute of Technology, Management and Research
Bachelor in Computer Science and Engineering

Nagpur, Maharashtra
Aug 2019 – Aug 2023

- Cumulative GPA: 7.04/10

WORK EXPERIENCE

Bintix Waste Research
FullStack Development Intern

Hyderabad, Telangana
Mar 2025 – Present

- Architected and implemented a **Process Reasoning Engine** using RESTful APIs to automate the complete barcode lifecycle management.
- Designed an **agentic workflow system** with specialized role-based agents for intelligent task routing and approval processes.
- Developed a process discovery dashboard with real-time analytics that identified workflow bottlenecks and improved process visibility.
- Engineered high-volume **document processing** capabilities for bulk data operations while maintaining enterprise-grade security.

Skylena Info Technology Private Limited
FullStack Development Intern

Nagpur, Maharashtra
Sept 2024 – Mar 2025

- Developed and **maintained web applications** using **HTML, CSS, JavaScript and Bootstrap**, ensuring cross-browser compatibility and user-friendly.
- Actively **Participated in code review** and contributed to project documentation.
- Assisted in **troubleshooting and debugging** web-related issues to improve application **performance and stability**.

LEADERSHIP

S.B JAIN College
Event Co-ordinator & Head

- Organized and managed student council events from planning to execution, coordinating with multiple stakeholders.
- Built partnerships with college staff and external vendors to ensure smooth event operations.
- Led a team of volunteers to successfully execute college festivals and technical events.
