Hiring Manager

xx

Dear Vishnu Logics,

I'm enthusiastic about applying for the **xxxx** role at **xx**, where I see a strong alignment between my skills and the firm's data-driven culture.

I specialize in Python, SQL, Power BI + Streamlit dashboarding, reporting automation, and I've used these skills to deliver measurable impact.

Why xx? xx

My experience has equipped me with skills directly relevant to this role:
• **Designed Streamlit KPI & Consumer Dashboards to deliver actionable insights.**
• **Automated SQL + Python pipelines, reducing manual effort and improving accuracy.**
• **Built an Innovations Tracker Dashboard to benchmark launches and spot opportunities.**

I'd love the opportunity to discuss how I can contribute to xx's analytics team and help drive data-driven decision making.

Best regards,

Vishnuvardhan Chowhan
